Essential Information

It is important that **you** read this **policy** document and **your Validation Certificate** carefully to ensure that it meets **your** requirements and so that **you** understand the extent of cover provided, what is and is not covered along with any terms, or conditions of cover.

The **policy** document contains different levels of cover, some of which are optional and only apply where **you** have selected them and paid the required additional **premium**.

For information about **your** rights to cancel the **policy** and the cooling off period, please see Cancellation Provisions on page 44 of this **policy** booklet.

If you have any questions about the cover provided please call our Customer Services Team on the number below, we are open Monday to Saturday between 8.30am and 6pm (UK time).

It is important that **you** call **us** as soon as **you** need to make a change to **your policy**, to ensure **you** are accurately covered.

Health Declaration

Your **policy** contains restrictions, conditions and exclusions that relate to **your** health and to the health of others on whom **your trip** might depend. **You** must read the following information and be satisfied that this **policy** meets **your** needs.

Pre-existing medical conditions will not be covered unless they have ALL been declared, and accepted by **us** in writing. **You** must therefore ensure that **you** answer all questions about **yourself** and anyone else **insured** under **your policy** fully, honestly, and to the best of **your** knowledge, as failure to answer **our** questions accurately may affect the cover **we** provide and **our** ability to pay **your** claim. Please see page 4 for what **you** must do if **you** have a change to **your** health after purchasing **your policy**.

We are unable to provide cover for any **pre-existing medical condition(s)** where **you** have an undiagnosed **medical condition**, or a condition where **you** are currently on a waiting list, undergoing treatment, or tests or, where **you** are awaiting the results of any tests. There are some instances **we** may be able to provide cover for **pre-existing conditions** if **you** are awaiting surgery, (please see the Medical Declaration section on page 8 for more details).

If **you** have any questions about what cover will be provided by this **policy** in respect of **your** existing **medical conditions**, please contact Staysure Customer Services.

Please note: this **policy** does not provide cover for procedures that can be carried out in **France** after repatriation, or for any medical expenses incurred in private facilities if a medically suitable state facility is available. It is therefore a condition of this insurance **policy** that if **you** are travelling to a European Union country **you** obtain a Carte Européenne d'Assurance Maladie (CEAM), or a European Health Insurance Card (EHIC) or Global Health Insurance Card (GHIC)

For emergencies abroad call us first

(It may save you having to pay the policy excess)

For medical emergencies: if **you** are taken to hospital as an emergency by ambulance or other emergency service, **you** will need to make sure that **you** or a **travelling companion** call **us** within 48 hours.

For non-urgent medical help: if **you** need to see a **doctor**, or need to go to Accident & Emergency or a clinic, **call us first**. This way **we** may be able to help **you** locate the safest and most appropriate source of treatment.

In either case **you** may reverse the call charges, or ask to be called back.

If **your** outpatient treatment is likely to cost more than €350 or **you** are admitted into hospital abroad, someone must call **Staysure Assistance** 24 hour medical emergency helpline as soon as possible. If **you** have to cut short **your trip** under Section 2 (Curtailment and Trip Interruption) or Section 3 (Emergency Medical and Repatriation) **Staysure Assistance** must authorise this in advance. Failure to contact **Staysure Assistance** may mean that **we** are not able to provide cover or **we** may reduce the amount **we** pay for **your** medical treatment, or additional travel expenses.

Where **you** have a valid claim and **your** medical expenses exceed €350 **we** will look to settle the bill directly with the medical provider where possible.

For non-medical emergencies: if something happens during **your trip**, and **you** need **our** help, please contact **us**. If **we** identify that the event causing the emergency is not covered by this **policy**, **we** will still try to assist **you** in resolving the problem, but it would be at **your** own cost.

PLEASE NOTE: This is a travel insurance policy and not private medical insurance.

Changes to your health after purchasing your policy

If after you purchase your policy, or before booking any new trips, any of the following happens:

- you are diagnosed with a new medical condition
- your doctor, or consultant changes your prescribed medication
- you receive inpatient medical treatment
- you are now awaiting a diagnosis, investigation, test results or medical treatment

then you must contact Staysure Customer Services. A member of the team will ask you specific questions about your medical condition(s).

This may result in an additional premium to allow cover to continue, to add additional Terms and Conditions to your policy or to exclude cover for the newly diagnosed condition or for the condition that has undergone significant change.

If we are unable to provide cover, or if you do not wish to pay the additional premium you will be entitled to make a claim under Section 1 (Cancellation) for your costs which cannot be recovered elsewhere for trips booked prior to the change in health.

Alternatively, you will be entitled to cancel your policy, in which case, we will refund a proportionate amount of your premium.

Please note that your doctor, or consultant telling you that you are well enough to travel does not mean that you will be covered for your pre-existing medical condition(s). If you have any concerns regarding whether, or not you will be covered please contact Staysure Customer Services.

Eligibility

In order to be eligible for cover under this policy you must also be:

- An English-speaking resident in France who has been a permanent resident for at least six of the last twelve months
- registered with a doctor in France, who will grant access to your medical records;
- travelling from and returning to France

Reciprocal Health Agreements

EU, EEA or Switzerland

If you are travelling to countries within the European Union (EU), Iceland, Norway, Liechtenstein or Switzerland, it is a condition of this insurance policy that you obtain a Carte Européenne d'Assurance Maladie (CEAM) or a European Health Insurance Card (EHIC) or Global Health Insurance Card (GHIC). This will entitle you to benefit from the reciprocal healthcare arrangements which exist between countries.

In the event of liability being accepted for a medical expense which has been reduced by the use of a Carte Européenne d'Assurance Maladie (CEAM) we will not apply the deduction of the excess under Section 3 – Emergency Medical and Repatriation.

When you use your CEAM, EHIC or GHIC card in a public medical facility your excess will not be deducted.

Australia and New Zealand

If you require medical treatment in;

- Australia – you must enrol with a local MEDICARE office
- New Zealand – you must go to a state medical facility and present your passport at the time of treatment

If you are admitted to hospital, contact must be made with Staysure Assistance as soon as possible.

Travel within your country of residence

PLEASE NOTE: no cover is provided under Section 3a Emergency Medical & Repatriation, or Section 3b Hospital Daily Benefit when travelling within, or once you have returned to France. Limits also apply to other sections of this policy. Please see individual policy sections for further details.

F. Time scope

Claims that have occurred during the validity of the policy and which are notified to the Insurer in a reliable manner within two years of the date of their occurrence are covered.

For the purposes of the coverage of this policy, the loss is understood to have occurred at the moment in which the action or omission that caused the damage was carried out.

G. Free choice of lawyer and barrister

The Insured has the right to freely choose the lawyer and barrister (if necessary) to defend and/or represent them in any kind of judicial, administrative, conflict mediation or arbitration proceedings.

The Insurer shall pay the fees and expenses indicated in the "Covered Expenses" section **up to the maximum insured sum established in the Individual Conditions.**

Before the Insured proceeds with their choice, the Insurer must have had the opportunity to study the claim and confirm whether the events declared are covered and if the proposed action to be brought is viable. It must also have been able to perform out-of-court actions.

The Insured must inform the Insurer of the name of the chosen lawyer and/or barrister.

The Insurer may justifiably challenge the appointed professional and, if the dispute continues, it must be settled by arbitration.

Likewise, the Insured is obliged to provide any information and documentation that the Insurer may request, both to determine the cover and

viability, and to determine the status of the procedure initiated and its outcome.

The lawyer and barrister appointed by the Insured will in no case be required to follow the instructions of the Insurer.

The Insured has the right to agree with the chosen lawyer the fees freely established, even if they are significantly higher than normal for similar cases.

Without prejudice to the foregoing, the Insurer will reimburse the Insured for the fees paid up to the equivalent of the average market price, without in any case **exceeding the maximum insured sum indicated in the Individual Conditions.** Any excess will be at the Insured's expense.

This "average market price" will be reduced or increased, taking into consideration the following criteria:

- The work actually carried out.
- The legal complexity of the case and/or the work involved in the case or the evidence presented.
- The result obtained.
- What other lawyers charge for similar cases.

In those cases, in which the involvement of the barrister is required by Law, the fees and expenses for their involvement will be reimbursed in accordance with the legally applicable fees, **up to the maximum insured sum indicated in the Individual Conditions.**

In order to make the reimbursement effective, the Insured must provide evidence of the quote agreed with the professional (order form), the invoice and payment, as well as any other documentation requested by the Insurer. The Insured may choose to have the lawyer and/or barrister's invoices paid directly to these professionals.

In the event that the chosen lawyer and/or barrister does not reside in the judicial district where the proceedings are to be held, the Insured shall be responsible for any expenses and fees invoiced for travel, accommodation and subsistence.

If, at the Insured's choice, more than one lawyer and/or barrister takes part in the proceedings, the Insurer will pay a maximum of the fees equivalent to the involvement of only one of them.

In the event that the other party is ordered to pay the costs of the proceeding and the lawyer's, and barrister's fees are paid by it, the Insurer shall be released from paying them, in the event that they have not yet been paid, or may demand a refund for the amount paid, in the event that they have been paid.

H. Conflict of interest

A conflict of interest exists if the Insurer has to defend interest's contrary to those of the Insured. In this case, it must notify the Insured, taking such urgent steps as may be necessary for the defence of its rights and interests. This notification having been made, the Insured may choose between continuing with the legal direction by the Insurer or entrusting it to a lawyer and/or a barrister of their free choice.

In addition, both parties may submit to arbitration any conflicts that may arise in the interpretation of these terms and conditions. The appointment of an arbitrator may not take place before the disputed issue arises.

The cost of any medical evidence produced in connection with a **medical health declaration** shall be borne by **you**.
3. It is **your** responsibility to ensure **you** have told **us** about any change in **your** health, or medical status before **you** depart on each **trip** and throughout the period of cover. Any change must be accepted in writing by **us** before cover will be continued. If **you** are in doubt as to whether a change is important, **you** should contact Staysure Customer Services.
4. This **policy** is a legal contract based on the information **you** supplied when **you** applied for, renewed, or amended this insurance. **We** rely on that information when **we** decide what cover to provide and how much **you** will pay. The sums **we** have paid out under the terms of the **policy** will be reimbursed from any recovery made.
12. **You** must take all practicable steps to recover any article lost or stolen and to identify and ensure the prosecution of the guilty person(s). **We** may at any time and at **our** expense take such action as **we** deem fit to recover the property lost or stated to be lost.

14. **You** must notify **us** in writing of any event which may lead to a claim, within 28 days of **your** return to **your** home:
 - **you** must complete a claim form substantiating **your** claim, together with (at **your** own expense) all certificates, information, evidence and receipts that **we** reasonably require.
 - as often as **we** require **you** shall submit to a medical examination at **our** expense.
 - **we** may request a post mortem examination to be carried out for an **insured person** at **our** expense.

You can also register your claim online by visiting the following website: www.staysure.com/claims. Please have your insurance Validation Certificate number to hand, and have ready any documents you may have that could be relevant to your claim for cover as detailed under Sections 1 to 17 (for example Medical Certificates, travel tickets, boarding passes, letters from authorities/public transport providers/airlines, depending on which section of cover you are claiming for).

You may also be asked to send us additional information and documentation (we will give you advice if this becomes necessary). We reserve the right to require you to undergo an independent medical examination at our expense. We may also request, and will pay for, a post-mortem examination in the event of your death. If we pay a claim for the full value of the property and it is subsequently recovered or there is any salvage then it will become our property.

We may also pursue any claim to recover any amount due from a **third party** in the name of anyone claiming under this **policy**. We may refuse to reimburse **you** for any expenses for which **you** cannot provide receipts or bills.

Subrogation

We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in **your** name for **our** benefit against any other party.

Fraud

You must not act in a fraudulent manner. We shall not pay a claim if **you** or anyone acting for **you**:

- Makes a claim under the **policy**, or makes a statement, or provides a supporting document in support of a claim, knowing the claim to be false, or fraudulently exaggerated in any respect; or
- Makes a claim in respect of any loss or damage caused by **your** wilful act or with **your** connivance. Then:
 - We shall not pay any claim which has been, or will be made under the **policy**.
 - We may at **our** option declare the **policy** void.
 - We shall be entitled to recover from **you** the amount of any claim already paid under the **policy**.
 - We shall not return any of the **premium** paid.
 - We may inform the Police of the circumstances.

Disclosure of Information

In the unfortunate event that **you** need to make a claim, **we** may need to disclose information to any other party involved in the claim. This means **ERGO Seguros de viaje, Sucursal en España**, is expressly and duly authorised by **you** to process, for the purposes of the insurance, the data provided at the time of contracting the insurance and that received at any subsequent point as a consequence of the contractual relationship and/or the processing of any claim; said authorisation extends to access to and use of such data by persons who participate in the **insured** business, including professionals and medical centres that assist in the provision of the health coverage, in order to fulfil the conditions of the contract and provide the corresponding services; such usage and access likewise extends specifically with the purpose of processing/managing claims, to reinsurance and coinsurance entities, which are involved in possible coinsurance and reinsurance

operations, and other entities that are involved in management and collection of **premiums**.

Please Note

Should there be any contradiction between the General Conditions and the Specific **Policy** Conditions relating to each Section of Insurance, the Specific **Policy** Conditions shall take precedence over the General Conditions. The General Conditions set out the circumstances for which **you** can make a claim and the benefits **you** can expect if **you** make a claim. Any breach of the General Conditions may mean that **your** claim is invalidated.

EU Travel Regulations

Travel delays

This **policy** is not designed to cover costs which are met under the EC Regulation No. 261/2004. Under EC Regulation No. 261/2004, if **you** have a confirmed reservation on a flight, and that flight is delayed by between 2 and 4 hours (length of time depends on the length of **your** flight) the airline must offer **you** meals, refreshments and hotel accommodation.

If the delay is more than 5 hours, the airline must offer to refund **your** ticket. The Regulations should apply to all flights, whether budget, chartered or scheduled, originating in the EU, or flying into the EU using an EU **carrier**. If **your** flight is delayed or cancelled, **you** must in the first instance approach **your** airline and clarify with them what costs they will pay under the Regulation. If **you** would like to know more about **your** rights under this Regulation, additional useful information can be found on the Civil Aviation Authority website (www.caa.co.uk).

International sanctions and embargos

In accordance with the legal obligations resulting from French foreign policy as regards international sanctions, the covers provided by this insurance and the payment of compensation or benefits set out herein may not be demanded of the Insurer if they would breach any type of international sanction or embargo of an economic, trade or financial nature, adopted by the United Nations, the European Union, United Kingdom or the United States, and that would be binding on French. The Insurer reserves the right to reject payment of the compensation or benefit requested by the insurance policyholder or by the insured if it ascertains that they are subject to an international sanction that prohibits insurance cover from being provided, under the terms set out in the corresponding sanction ruling.

The above shall likewise apply in the event of international trade, economic or financial sanctions adopted against the public authorities or bodies of countries or states, such as, for example, North Korea, Syria, or those subject to sanctions as a result of the Crimean conflict, and any other countries subject to sanctions of this type and included on the lists of the United Nations, the European Union, United Kingdom and the United States, within the context of the international relations and treaties in force.

Claims for Personal Baggage

We will pay claims for **personal baggage** based on the value of the goods at the time **you** lost them, and not on a new for old or replacement cost basis. If **your personal baggage** is delayed, lost, stolen or damaged whilst in the care of **your** airline, **you** must in the first instance approach **your** airline and clarify with them what compensation they will pay. If **you** would like to know more about claiming directly from **your** airline, additional useful information can be found on the Civil Aviation Authority website (www.caa.co.uk).

Complaints

We will do everything possible to ensure that **you** receive a high standard of service. If **you** are not satisfied with the service received please forward details of **your** complaint to:

Customer Services Department

We will contact **you** as soon as possible after receiving **your** complaint to inform **you** of what action **we** are taking. We will arrange to issue a final response within two months. Should any disputes arise under the terms of the Consumer Code, between policyholders, **insured**, beneficiaries, victims or **insured** Legal Representatives and the Insurer, those may be solved, as appropriate, if the involved parties consider it relevant, through a process of mediation of the consumption, in order to achieve an amicable resolution of the dispute.

Date of effect of cancellation made by you.

If **you** ask **us** to cancel **your policy** in writing or by telephone, such cancellation shall take effect on the date the notice is received, or on the date specified in the notice, whichever is later.

We will refund **you** the proportionate amount of **premium** left on **your policy**. If the **insured person** has passed away, the entitled **premium** refund will be paid to the estate.
